Get Hands-on Experience

As a practice-based art school we believe in a disciplined approach that encourages students to develop their own styles, to blend talent, technical skills, creative aspirations and professional knowledge.

Andy Wood
BFA Animation & Visual Effects / Project Manager, Unity Technologies

As soon as I walked into the studio I knew what to do. I love producing content and telling the stories, and I learned how to do that at the Academy.

School of Animation & Visual Effects
